Download a copy of the map and/or download a copy of the GPX file to use with your navigation device. <https://ridewithgps.com/routes/34765081>

Start End Point: Meet at the farm track opposite the King Charles Pub, 6 Lovedon Lane, Kings Worthy, Winchester SO23 7NU.

Distance 15km (9.3mi) 150m elevation gain, old railway track & bridleways so can be muddy,

Route Main turns:

Start at the Pub. Head north uphill, cross railway bridge, 1st left downhill

1.4km easy to miss right turn down onto railway track

2.0km right onto Oxdrove way, at road left. At 3.3km after left road turn look for track in the trees for 500m

3.8km turn right on bridleway continue left past West Stoke farm.

6.0km sharp left south towards Wonston Manor Farm

8.0km straight on at South Wonston farm

8.7km Cross B road with care, continue along bridleway through houses in the same direction.

9km at T junction with Bridleway Turn sharply left along broad track by open fields.

10.53km turn sharp right back down the track you came up.

11.6km After Worthy Down barracks sharp right down small track onto broad bridleway past sewage works

12.46 look for small track on RHS of Railway Bridge to take you up onto the railway track.

13.0km End of railway track turn left down wide farm track to Springvale Rd. Left back to the start.
